

Hi West Winds Residents -

My name is Conor Moe. About 3.5 years ago while my wife and I were pondering a move from another LLA neighborhood, we decided West Winds was the perfect neighborhood to raise our growing family. We have two boys ages 5 and 2. Without a doubt, West Winds has proven to be the neighborhood we thought it would be. We've met and befriended many neighbors.

Since moving here, I've been volunteering on the West Winds Landscaping and Vision Committees. Given recent news of LLA's pending purchase of the golf course property, now is a pivotal time in shaping the future of our neighborhood. I'd like to be part of these discussions on behalf of West Winds residents in an effort to continue making this a desirable community to reside and raise families in.

Thanks for your consideration.
